Press Release

Mill Creek Developments Inc. helps build enhanced health care through their recent donation to Lloydminster Region Health Foundation!

March 18, 2009- Lloydminster AB/SK- Lloydminster Region Health Foundation (LRHF) is thrilled to announce a recent gift from Mill Creek Developments: a luxury Cornerstone Place condominium, located here in Lloydminster.

Promising to *"raise the bar for condo living in Lloydminster"*, Mill Creek recently donated a luxury condominium, valued at over \$249,900, as the Grand Prize for the Lloydminster Region Health Foundation's 2009 Lucky Lloyd Lotto. Praised as "Lloydminster's First Luxury Condominium Development" Cornerstone Place boasts unmatched amenities including a spacious owners' lounge, private meeting rooms, fitness centre, elegant main lobby design, cozy sitting areas, and heated underground parking.

Scott Nelson, President of the Mill Creek Group of Companies says, "It was an easy decision to support the Health Foundation because health care touches the lives of every single person in Lloydminster. We believe in doing our part to enhance the quality of life of the communities we do business in. Lloydminster is my hometown so the Health Foundation is an organization that is very close to my heart" For Mill Creek Developments, building value in their community is as important as building quality homes for their customers.

Foundation Chairman Dale Beaudry was most appreciative of the gift. "Mill Creek Developments is exhibiting their corporate leadership by investing in this community. I am proud to be part of a community, where corporate values include the health and well-being of the community. The decision to support enhancements to health care in Lloydminster improves quality of life for all residents almost immediately. I can't say thank-you enough"

Proceeds from this year's lottery will be used to help fund a brand new Mammography program at Lloydminster Hospital. Local women will soon have access to both screening and diagnostic mammograms right here in Lloydminster- making such a difference to such a large portion of our population!

The Lloydminster Region Health Foundation is in its 26th year of providing essential funding to enhance healthcare in our community. Since inception, over \$7 million dollars, (over \$4 million in the last 5 years alone) has been invested into the community by the Foundation.
