

2009 Ladies Charity Open nets record-breaking proceeds for Lloydminster Region Health Foundation!

This past June the Lloydminster Ladies Golf Club hosted their 2nd annual Ladies Charity Open, with the proceeds of the event going to the brand new Mammography program at Lloydminster Hospital. Through a sea of pink, support came through, with the tournament raising \$11,643 for Mammography!

Thank you to over 100 lady golfers, the Ladies Golf Club executive, and the helpful staff at the Lloydminster & District Golf and Country Club. Your generosity makes such a difference in our community!
