

News Release

“The Lloydminster Region Health Foundation’s 2010 Lucky Lloyd Lotto is SOLD OUT !”

June 9, 2010, Lloydminster AB/SK - For the first time in LRHF’s lottery history, the Lloydminster Region Health Foundation is thrilled to announce that the 2010 Lucky Lloyd Lotto is completely SOLD OUT!

Richard Starke, Lucky Lloyd Lotto Chair, says, “We knew that this year was our year to sell out, and sure enough, Lloydminster came through once again for our community. Thank you to everyone who purchased lottery tickets. With funds raised from the 2010 lottery, we are able to purchase diagnostic equipment, which will perform carotid scans and heart echoes. Basically, this critical piece of equipment helps our doctors assess those who have suffered from a heart attack or stroke, and saves the patient time and travel to larger centers for these exams. Every person who purchased a Lottery ticket needs to know that they have helped bring this piece of equipment to our Hospital, and they should be very proud”

With an impressive prize package of 238 cash prizes, including the \$25,000 Early Bird Prize, and the Grand Prize of a cool, quarter million dollars in tax free cash, the 2010 Lucky Lloyd Lotto tickets proved to be a hot commodity. Tickets sold for \$50 each, 3 for \$100, or 15 for \$250, with the 15 pack of tickets proving to be most popular in 2010.

Draw dates for the Lucky Lloyd Lotto are as follows:

- 1) *Early Bird (\$25,000) Draw*: Monday, June 14, 2010 at 2:00 p.m. at the LRHF Office
- 2) *Final Draws, including the Quarter Million Dollar Grand Prize Draw*: Wednesday, June 30, 2010, beginning at 9:00 a.m. at the LRHF Office

Thank you to everyone who supported the 2010 Lucky Lloyd Lottery, including our volunteers, donors, vendors, and everyone who purchased tickets!
