

News Release

“The Lloydminster Region Health Foundation’s 2011 Lucky Lloyd Lotto raises over \$200,000 for the Maternity Department in Lloydminster Hospital!”

June 30, 2011, Lloydminster AB/SK- The Lloydminster Region Health Foundation’s 2011 Lucky Lloyd Lotto was a huge success! As at press time, approximately \$200,000 (net) was raised for the Maternity Department in Lloydminster Hospital.

Richard Starke, Lucky Lloyd Lotto Chair, says, “We are absolutely thrilled with the proceeds of this year’s Lotto. Although we didn’t achieve a full sell-out this year, the fact that we were able to raise over \$200,000 to help new mothers and their babies is absolutely phenomenal. Funds raised through this year’s lottery will help purchase a Centralized Fetal Monitoring System for our Maternity Department. This system will allow each patient monitor to connect to the main screen at the Nursing Desk. If something critical arises in any Maternity ward patients, the nurses and doctors will immediately be notified. This means better patient care for our new mothers and their precious little ones.”

Starke continues, “We’d like to say a big thank you to everyone who purchased tickets. We certainly don’t take this tremendous support for granted. Everyone who purchased a ticket should know that their support is helping make things better for our local mothers and babies.”

2011 Lucky Lloyd Lotto tickets again proved to be a hot commodity. There were 3 different ticket packages, and this year both the \$50 single packs and the 15 for \$250 packs sold out. Only the 3 for \$100 ticket packs remained once the Early Bird Deadline had passed. Kitscoty resident Mr. Allan Wruth was the lucky winner of the Early Bird Draw, and won \$25,000 tax-free cash. Ms. Carmen Guy, also of Kitscoty, was the lucky winner of this year’s brand new Loyalty Draw, and won \$10,000 tax-free cash.

The Final Draws, including the Quarter Million Dollar Grand Prize Draw will take place at the LRHF office, Thursday, June 30, 2011, beginning at 9:00 a.m.

Thank you to everyone who supported the 2011 Lucky Lloyd Lottery, including our volunteers, donors, vendors, and everyone who purchased tickets! Your support helps our community’s newest members.
