

The Lloydminster Region Health Foundation partners with businesses, families, non-profit organizations and individuals in our very generous community to raise

funds in support of priority projects in local healthcare. Since inception, over \$13.7 million has been raised through the Health Foundation, over \$8.3 Million in the past five years.

We are looking for a special individual to join our community-minded team.

DEVELOPMENT OFFICER

Our ideal future team member will be a compassionate and professional communicator, who is a natural at relationship building. The ability to communicate information, both verbally and in writing, about projects and be engaged when dealing with our donors, Board Members, volunteers and the general public is critical. Responsible to the Executive Director, this team member will communicate directly with individual and corporate donors about supporting our many essential projects.

To work effectively in this role you will need to have exceptional organizational skills and have strong computer skills in the Microsoft Suite of products. Your ability to work within a team and be self-motivated are definite requirements. A strong financial aptitude is also required. A background in sales, marketing, financial planning, business development or law would serve you well.

This isn't an 8 – 5 role, you will need to network and take the opportunity to connect with people throughout the community when the opportunity arises. You will need to be "quick on your feet" and approachable. Your confidentiality and belief in the LRHF are expectations.

This is indeed a special person. Interested Candidates can submit their resume and references to:
