Management's Responsibility

To the Board of Lloydminster Region Health Foundation:

Management is responsible for the preparation and presentation of the accompanying financial statements, including responsibility for significant accounting judgments and estimates in accordance with Canadian accounting standards for not-for-profit organizations. This responsibility includes selecting appropriate accounting principles and methods, and making decisions affecting the measurement of transactions in which objective judgment is required.

In discharging its responsibilities for the integrity and fairness of the financial statements, management designs and maintains the necessary accounting systems and related internal controls to provide reasonable assurance that transactions are authorized, assets are safeguarded and financial records are properly maintained to provide reliable information for the preparation of financial statements.

The Board of Directors and Finance Committee are composed entirely of Directors who are neither management nor employees of the Foundation. The Board is responsible for overseeing management in the performance of its financial reporting responsibilities, and for approving the financial information included in the annual report. The Board fulfils these responsibilities by reviewing the financial information prepared by management and discussing relevant matters with management and external auditors. The Committee is also responsible for recommending the appointment of the Foundation's external auditors.

MNP LLP is appointed by the Board to audit the financial statements and report directly to them; their report follows. The external auditors have full and free access to, and meet periodically and separately with, both the Committee and management to discuss their audit findings.

June 19, 2024

Chief Executive Officer

MNP

To the Board of Lloydminster Region Health Foundation:

Qualified Opinion

We have audited the financial statements of Lloydminster Region Health Foundation (the "Foundation"), which comprise the statement of financial position as at March 31, 2024, and the statements of operations and changes in net assets, cash flows and the related schedule for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, except for the possible effects of the matter described in the Basis for Qualified Opinion section of our report, the accompanying financial statements present fairly, in all material respects, the financial position of the Foundation as at March 31, 2024, and its financial performance and its cash flows for the year then ended in accordance with Canadian accounting standards for not-for-profit organizations.

Basis for Qualified Opinion

In common with many charitable organizations, the Foundation derives revenue from donations and event and gaming activities, the completeness of which is not susceptible to satisfactory audit verification. Accordingly, verification of these revenues was limited to the the amounts recorded in the records of the Foundation. Therefore, we were not able to determine whether any adjustments might be necessary to donations and event and gaming revenue, excess of revenue over expenses and cash flows for the years ended March 31, 2024 and March 31, 2023, current assets and net assets as at March 31, 2024 and March 31, 2023. Our audit opinion on the financial statements for the year ended March 31, 2023 was qualified accordingly because of the possible effects of this limitation in scope.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the Foundation in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

Responsibilities of Management and Those Charged with Governance for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with Canadian accounting standards for not-for-profit organizations, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Foundation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Foundation or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the Foundation's financial reporting process.

MNP LLP
401 4908 42nd Street, Lloydminster SK, S9V 0E5 T: 306.825.9855 F: 306.825.9640

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Foundation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Foundation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Foundation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The accompanying notes are an integral part of these financial statements

1. Incorporation and nature of the organization

Lloydminster Region Health Foundation's (the "Foundation") purpose is to generate and receive donations to enhance public healthcare in the community. The Foundation was incorporated under the authority of Non-Profit Corporations Act (Saskatchewan) and registered as an extra-provincial corporation in Alberta. The Foundation is a registered public charity under the Income Tax Act ("the Act"), which is exempt from income tax.

2. Significant accounting policies

The financial statements have been prepared in accordance with Canadian accounting standards for not-for-profit organizations set out in Part III of the CPA Canada Handbook - Accounting, as issued by the Accounting Standards Board in Canada and include the following significant accounting policies:

Fund accounting

The Foundation follows the restricted fund method of accounting for contributions, and maintains three funds: General Fund, Designated Fund, and Endowment Fund.

The General Fund reports the Foundation's general and unrestricted fundraising activities and reports resources which are not externally restricted.

The Designated Fund reports amounts which are restricted externally by donors in support of community care, acute care, continuing care, and greatest needs.

The Endowment Fund reports the Foundation's resources where either donor or internal restrictions require that the principal be maintained by the Foundation in perpetuity. Amounts specifically identified as endowments by donors are included in revenue and expenses of the Fund. Investment income earned on resources of the Endowment Fund is reported in accordance with the Foundation's endowment policy which is agreed to by the donors at the time the contribution is endowed.

Cash and cash equivalents

Cash and cash equivalents include balances with banks and short-term investments with maturities of three months or less. Cash subject to restrictions that prevent its use for current purposes is included in restricted cash.

Guaranteed investment certificates

Guaranteed Investment Certificates are measured at cost.

Inventory

Inventory is valued at the lower of cost and net realizable value as estimated by management. Cost is determined by the first in, first out method.

Investments

Long-term investments are portfolio investments recorded at fair value for those with prices quoted in an active market. They have been classified as long-term assets in concurrence with the nature of the investment.

Due to (from) other funds

At certain points in time, the Foundation may have amounts owed between certain funds. These interfund balances are non-interest bearing and have no fixed terms of repayment.

2. Significant accounting policies *(Continued from previous page)*

Tangible capital assets

Purchased tangible capital assets are recorded at cost. Contributed tangible capital assets are recorded at fair value at the date of contribution plus all costs directly attributable to the acquisition if fair value can be reasonably determined.

Amortization is provided using the straight-line method at rates intended to amortize the cost of assets over their estimated useful lives.

	Method	Years
Computer equipment	straight-line	5 years
Computer software	straight-line	5 years
Equipment	straight-line	2-10 years
Leasehold improvements	straight-line	10 years

Long-lived assets

Long-lived assets consist of tangible capital assets with finite useful lives. Long-lived assets held for use are measured and amortized as described in the applicable accounting policies.

The Foundation writes down long-lived assets held for use when conditions indicate that the asset no longer contributes to the Foundation's ability to provide goods and services. The asset are also written-down when the value of future economic benefits or service potential associated with the asset is less than its net carrying amount. When the Foundation determines that a long-lived asset is impaired, its carrying amount is written down to the asset's fair value.

Patronage equity

Patronage equity are recorded at cost, less any provision for other than temporary impairment in value. Income from profit share allocation is recorded when assigned by the organizations.

Revenue recognition

The Foundation uses the restricted fund method of accounting for contributions. Restricted contributions are recognized as revenue of the Designated Fund, endowment contributions are recognized as revenue in the Endowment Fund and unrestricted contributions are recognized as revenue of the General fund in the year received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Restricted investment income earned on Designated Fund and Endowment Fund resources are recognized as revenue in the related fund. Unrestricted investment income is recognized as revenue in the General Fund when earned.

Events and gaming revenue are recognized as revenue in the related fund in the year in which related expenses are incurred.

The Foundation implemented a Recovery of Fundraising and Operational Costs (ROFC) Policy. The purpose of this policy is to more closely associate fundraising benefits and costs across all donations to generate a pool of resources that will be available for the operation of the Foundation. A 15% fee is taken out from the General and Designated donations when received and recognized as revenue in the General Fund.

Gift shop sales are recognized when goods are provided to the purchaser at the point of sale. Rental income on televisions and telephones are recognized as the service is provided. Lottery ticket sales are recognized as tickets are sold. All of these sales are recognized as revenue of the General Fund.

2. Significant accounting policies *(Continued from previous page)*

Contributed materials and services

Contributions of materials and services are recognized both as contributions and expenses in the statement of operations when a fair value can be reasonably estimated and when the materials and services are used in the normal course of the Foundation's operations and would otherwise have been purchased.

Volunteers contribute many hours annually to assist the Foundation in carrying out certain activities. Because of the difficulty of determining their fair value, contributed volunteer services are not recognized in the financial statements.

Allocation of expenses

The Foundation engages in fundraising programs. The costs of each program include the costs of personnel, premises and other expenses that are directly related to providing the program. The Foundation also incurs a number of general support expenses that are common to the administration of the Foundation and each of its programs.

The Foundation allocates certain of its general support expenses by identifying the appropriate basis of allocating each component expense, and applies that basis consistently each year. The Board approves the percentage used for allocation of expenses to programs.

Financial instruments

The Foundation recognizes its financial instruments when the Foundation becomes party to the contractual provisions of the financial instrument.

Arm's length financial instruments

Financial instruments originated/acquired or issued/assumed in an arm's length transaction ("arm's length financial instruments") are initially recorded at their fair value.

At initial recognition, the Foundation may irrevocably elect to subsequently measure any financial instrument at fair value. The Foundation has not made such an election during the year.

The Foundation subsequently measures investments in equity instruments quoted in an active market at fair value. Fair value is determined by published price quotations. All other financial assets and liabilities are subsequently measured at amortized cost.

Transaction costs and financing fees directly attributable to the origination, acquisition, issuance or assumption of financial instruments subsequently measured at fair value are immediately recognized in the excess of revenue over expenses for the current period. Conversely, transaction costs and financing fees are added to the carrying amount for those financial instruments subsequently measured at cost or amortized cost.

Related party financial instruments

All related party financial instruments are measured at cost on initial recognition. When the financial instrument has repayment terms, cost is determined using the undiscounted cash flows, excluding interest, dividend, variable and contingent payments, less any impairment losses previously recognized by the transferor. When the financial instrument does not have repayment terms, but the consideration transferred has repayment terms, cost is determined based on the repayment terms of the consideration transferred. When the financial instrument and the consideration transferred both do not have repayment terms, the cost is equal to the carrying or exchange amount of the consideration transferred or received.

At initial recognition, the Foundation may elect to subsequently measure related party debt instruments that are quoted in active market, or that have observable inputs significant to the determination of fair value, at fair value.

2. Significant accounting policies *(Continued from previous page)*

Related party financial instruments (*Continued from previous page*)

The Foundation has not made such an election during the year, thus all such related party debt instruments are subsequently measured at amortized cost.

Transaction costs and financing fees directly attributable to the origination, acquisition, issuance or assumption of financial instruments subsequently measured at fair value are immediately recognized in excess of revenue over expenses.

Financial asset impairment

The Foundation assesses impairment of all of its financial assets measured at cost or amortized cost. The Foundation groups assets for impairment testing when available information is not sufficient to permit identification of each individually impaired financial asset in the group; there are numerous assets affected by the same factors; no asset is individually significant. Management considers whether the issuer is having significant financial difficulty; whether there has been a breach in contract, such as a default or delinquency in interest or principal payments in determining whether objective evidence of impairment exists. When there is an indication of impairment, the Foundation determines whether it has resulted in a significant adverse change in the expected timing or amount of future cash flows during the year.

With the exception of related party debt instruments initially measured at cost, the Foundation reduces the carrying amount of any impaired financial assets to the highest of: the present value of cash flows expected to be generated by holding the assets; the amount that could be realized by selling the assets; and the amount expected to be realized by exercising any rights to collateral held against those assets.

For related party debt instruments initially measured at cost, the Foundation reduces the carrying amount of the asset (or group of assets), to the highest of: the undiscounted cash flows expected to be generated by holding the asset, or group of similar assets, excluding the interest and dividend payments of the instrument; the present value of cash flows expected to be generated by holding the assets; the amount that could be realized by selling the assets at the statement of financial position date; and the amount expected to be realized by exercising any rights to collateral held against those assets.

Any impairment, which is not considered temporary, is included in current year excess of revenue over expenses.

The Foundation reverses impairment losses on financial assets when there is a decrease in impairment and the decrease can be objectively related to an event occurring after the impairment loss was recognized. The amount of the reversal is recognized in the excess of revenue over expenses in the year the reversal occurs.

Measurement uncertainty (use of estimates)

The preparation of financial statements in conformity with Canadian accounting standards for not-for-profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period.

Accounts receivable are stated after evaluation as to their collectability and an appropriate allowance for doubtful accounts is provided where considered necessary. Provisions are made for slow moving and obsolete inventory. Amortization is based on the estimated useful lives of tangible capital assets.

By their nature, these judgments are subject to measurement uncertainty, and the effect on the financial statements of changes in such estimates and assumptions in future years could be significant. These estimates and assumptions are reviewed periodically and, as adjustments become necessary they are reported in excess of revenue over expenses in the years in which they become known.

3. Inventory

Cost of inventories recognized as an expense and included in cost of sales amount to $80,597 (2023 - $72,229).

4. Investments

	General	Endowment	2024	2023
Investment portfolios	743,409	2,789,970	**3,533,379**	3,282,721
Equity in Credit Union	2,823	-	**2,823**	1,948
	746,232	**2,789,970**	**3,536,202**	3,284,669

The Foundation's investment portfolios are managed by an external professional investment manager, to which a quarterly management fee is paid. Total fees for 2024 were $21,179 (2023 - $29,064). The current average fee rate for 2024 was 0.60% (2023 - 0.88%). Investment portfolios are presented at fair value, book cost is $3,632,818 (2023 - $3,544,634).

5. Tangible capital assets

	Cost	Accumulated amortization	2024 Net book value	2023 Net book value
Computer equipment	**6,553**	**6,553**	-	-
Computer software	**90,045**	**90,045**	-	-
Equipment	**182,715**	**144,259**	**38,456**	56,538
Leasehold improvements	**13,798**	**12,418**	**1,380**	2,759
	293,111	**253,275**	**39,836**	59,297

6. Deferred contributions

The deferred contributions consists of contributions received in the current period that are relating to the 2024 Gala. Recognition of these amounts as revenue is deferred to periods when the specified event is completed and expenditures are made.

7. Grants payable

Grants and grants payable are recorded when the grant is awarded and approved by the Board. Payments made against these amounts are based on invoices received.

8. Designated Fund

The Designated Fund consists of funds available for spending that are restricted by donors for the following purposes:

	2024	2023
Acute Care	**529,736**	468,330
Community Care	**555,345**	567,394
Continuing Care	**725,361**	741,703
Greatest Needs	**4,440**	9,502
	1,814,882	1,786,929

9. Endowment Fund

The Endowment Fund consists of externally restricted contributions received by the Foundation and internal resources transferred by the Board to the Endowment Fund.

	2024	2023
Internally imposed endowments approved by Board		
Goodfellow education, the income from which must be used for student nursing scholarships	**709,658**	688,285

Community Lottery	-	**120**	**(120)**	6,995	8,287	(1,292)
Playhouse Raffle	**15,920**	**403**	**15,517**	-	-	-
	43,260	**1,160**	**42,100**	27,495	8,275	19,220
	751,531	**281,866**	**469,665**	781,931	399,083	382,848

Included in event and gaming revenue and expenses is a gift in kind of $14,562 from Gala (2023 - $45,041 received from Gala and $4,797 received from Cutter Rally).

11. Investment income

Investment income earned on the Foundation's investments consists of the following:

	General	Endowment	2024	2023
Interest and dividends	47,160	97,290	**144,450**	116,010
Realized losses	(2,316)	(11,918)	**(14,234)**	(37,786)
Unrealized gain (losses) on investments	38,929	123,545	**162,474**	(78,925)
	83,773	**208,917**	**292,690**	(701)

12. Grants

	General	Designated	Endowment	2024	2023
Acute Care	-	1,477	-	**1,477**	(68,343)
Community Care	-	225,822	35,141	**260,963**	321,027
Continuing Care	-	94,293	-	**94,293**	13,898
Greatest Needs	335,825	-	-	**335,825**	563,009
	335,825	**321,592**	**35,141**	**692,558**	829,591

In the event that a grant shows as negative, this is a result of a grant being approved in the prior year and cancelled in the current year.

13. Contributed materials and services

Included in the financial statements are gift in kind contributions in the amount of $31,087 (2023 - $88,302). Of this amount, $14,562 (2023 - $49,838) is included in the event and gaming revenue from the Gala (2023 - Gala and Cutter Rally). Media gift in kind contributions totaled $545 (2023 - $16,872) and is included in various projects and represents newspaper and radio advertising. Other gift in kind amounts included in donation revenue totaled $15,980 (2023 - $21,592) and represent items donated for various projects.

It is the Board's policy to immediately dispose of securities donated to the Foundation. As a result, gains and losses on such disposals are not reflective of the Board's management and stewardship of these investments. As such the statement of cash flows reflects these proceeds on disposal as cash received from donations rather than investing activities.

14. Related party transactions

The following summarizes the Foundation's related party transactions for the year.

	2024	2023
Donation revenue		
Directors	**27,410**	16,025
Management	**3,896**	11,111
Total	**31,306**	27,136

These transaction are in the normal course of operations and are measured at the exchange amount, which is the amount of consideration established and agreed to by related parties. At the end of the year, there were no amounts due to or from related parties.

15. Interfund transfers

Transfers between funds consists of the following:

	General	Designated	Endowment	*2024*	*2023*
Administration charges	44,846	-	(44,846)	-	-
Event proceeds	8,382	(8,382)	-	-	-
Transfer between projects	(1,125)	1,125	-	-	-
	52,103	**(7,257)**	**(44,846)**	-	-

In 2024, the Board approved the above noted transfers.

16. Financial instruments

The Foundation, as part of its operations, carries a number of financial instruments. It is management's opinion that the Foundation is not exposed to significant interest, currency, credit, liquidity or other price risks arising from these financial instruments except as otherwise disclosed.

Interest rate risk

Interest rate risk is the risk that the value of a financial instrument might be adversely affected by a change in the interest rates. Changes in market interest rates may have an effect on the cash flows associated with some financial assets and liabilities, known as cash flow risk, and on the fair value of other financial assets or liabilities, known as price risk. The Foundation's exposure to interest rate risk is limited to its investments in fixed income and equity funds.

Credit risk

The Foundation is exposed to credit risk on receivables from its customers and donors. Credit risk is considered to be minimal due to the nature of the Foundation's operations.

Liquidity risk

Liquidity risk is the risk that the Foundation will encounter difficulty in meeting obligations associated with financial liabilities. The Foundation manages its liquidity risk by monitoring forecasted and actual cash flows and financial liability maturities and by holding assets that can be readily converted into cash.

Credit concentration

Financial instruments that potentially subject the Foundation to concentrations of credit risk consist primarily of trade accounts receivable. Credit exposure is limited due to the nature of the Foundation's accounts receivable listing.

Lloydminster Region Health Foundation
Schedule 1 - Schedule of Gift Shop Operations
